

# The Bigelow Neighborhood

**Welcome! We are glad you are here!**

The Bigelow Neighborhood is a quiet, safe place, where neighbors know each other and work together.

Pre-COVID, BNA members have several neighborhood work parties each year to do neighborhood cleanups to improve our streets and sidewalks and the Bigelow Springs Park. Yearly social events like Novemberfest, the Caroling Party, and the summer Block Party are well-attended.

We are just a quick walk from downtown, with beautiful views of Olympia, the Puget Sound and the Black Hills from our streets and homes. This is a great place to live.

## Important Phone numbers:

Police Dispatch	360-604-2740
Code Enforcement	360-753-8487
Graffiti	360-570-3737

For more information and contacts regarding neighborhood safety, please visit the BNA Website.

## Neighborhood Maintenance: What are homeowner responsibilities?

In order for homeowners not to be legally liable for people getting hurt on their property or the sidewalk in front of their house, City Code Enforcement has a few requirements. To see the City brochure, go to <http://olympiawa.gov>

A quick list. Homeowners are responsible for the safety of others :

- Dangers on the property
- Garbage or recycling accumulation on the property
- Inoperable or unlicensed vehicle (or boat) over 30 days
- More than 3 dogs, cats or chickens
- Vegetation encroaching on sidewalk, signs or street
- Snow on sidewalk or broken sidewalk
- Structure doesn't meet minimum exterior standards
- Building without a City permit
