

VEHICLE PROWL PREVENTION

Vehicle prowls are the theft of property from a motor vehicle. Most are crimes of opportunity through unlocked doors and open windows where victims usually encounter expensive vehicle damage – especially to their windows, doors and locks. Large parking locations like shopping centers, housing communities, parks and schools are prime targets for a prowler since multiple vehicles can be hit in a short time span. Also, prowlers know the odds are good that someone will leave a door unlocked, a window down or keys in the ignition.

Unfortunately, vehicle prowls are very common. Luckily, they are preventable. Use these easy and inexpensive tips to reduce your risk of becoming a victim of vehicle prowl:

- ◇ Park in well-lit areas where your car can be seen
- ◇ Avoid isolated areas. Park near locations frequently used by pedestrians

- ◇ Roll up the windows and lock all doors
- ◇ Secure the trunk, hatches, bed-mounted tool boxes, and canopies
- ◇ Activate your alarm
- ◇ Install anti-theft devices
